SCALE: 1X

**NOTES:**

1. The filter body shall be constructed from mild steel with a powder coat finish.
2. The height of the filter device is adjustable to meet site specific conditions and specified ponding depth.
3. Swalegard® Overflow Filter can be installed in most industry standard overflow drains and is ideal for both new and retro-fit applications.
4. For sizes not shown in the tabulation contact Oldcastle® Stormwater Solutions for assistance.
