# Normandy Fittings

**C-Series - Corrugated Rigid HDPE**

An aerial photograph of a city skyline at sunset. In the foreground, a complex multi-level highway interchange with several overpasses and ramps is visible, with a few cars driving on it. The middle ground shows a dense urban area with various buildings. In the background, three prominent skyscrapers stand out against the orange and yellow sky of the setting sun. A semi-transparent white rectangular box is centered over the image, containing the text.

# Fit for Success

Oldcastle Infrastructure is trusted by engineers, contractors, and utility owners to deliver quality infrastructure products locally and nationally, meeting industry specifications and project timelines. Our nationwide technical, representative, and distribution network is reliable and supportive. Questions are answered, technical support is readily available, and orders are fulfilled on time and in full.

**Excellence in Design** Our pipe fittings are rigorously engineered with the precision required to manufacture and deliver the uniformity, durability, tolerances, and certifications our clients require for their mission critical projects.

**Delivering at Scale** Oldcastle Infrastructure is a part of CRH, the largest building material supplier in both North America and Europe. This allows us to leverage our existing production and distribution networks to produce and deliver a consistent product offering at a large scale and allowing us to deliver product faster and keep our distributors supplied and rapidly restocked.

**Testing & Certifications** All of Oldcastle Infrastructure's pipe fittings are thoroughly tested to ensure that they meet our customer's needs in even the most demanding applications. We go above and beyond required state, federal, municipal, industrial specifications to ensure our fittings have the durability, connectivity, and longevity that our products are known for.

### The Fittings Industry Just Got Stronger

We're not just providing the highest-quality and most consistent line of fittings. We're giving you the trusted reliability, unmatched service, and decades of expertise you deserve. Because when your reputation is on the line, you need more than just a fitting. You need confidence in every connection.

### C-Series

## Corrugated HDPE Drainage Fittings

Oldcastle Infrastructure's C-Series, rigid, single-wall corrugated black HDPE fittings set the standard for performance in drainage projects.

Our complete line of C-Series corrugated HDPE fittings are designed to easily and quickly install with durable connections to transport water away from structures or low-lying areas. They are often used on downspout and subsurface drainage applications and septic fields. They are particularly useful in landscaping, irrigation, agricultural and construction areas.

### Technical Info

#### Available Sizes

3" - 6" Diameters

#### Applications

Oldcastle Infrastructure's C-Series fittings are used in various drainage situations where the light weight corrugated HDPE is a distinct advantage.

# C Series

## Corrugated Rigid HDPE Fittings

## Single Wall Black HDPE

### 1/4 Bend (90 Elbow H x H)

Part #	Size (in)	Carton
C-303	3 x 3	15
C-304	4 x 4	12
C-306	6 x 6	4

### Wye (H x H x H)

Part #	Size (in)	Carton
C-903	3 x 3 x 3	10
C-904	4 x 4 x 4	8
C-906	6 x 6 x 6	4

### Reducing Wye (H x H x H)

Part #	Size (in)	Carton
C-9064	6 x 6 x 4	4

### Straight Tee (H x H x H)

Part #	Size (in)	Carton
C-803	3 x 3 x 3	12
C-804	4 x 4 x 4	12
C-806	6 x 6 x 6	4

### Reducing Tee (H x H x H)

Part #	Size (in)	Carton
C-8064	6 x 6 x 4	4

NOTE: Cut off socket(s) to make 5" or 6" socket.

### Blind Tee (H x H)

Part #	Size (in)	Carton
C-814	4 x 4	10
C-816	6 x 6	4

### Reducing Blind Tee (H x H)

Part #	Size (in)	Carton
C-8164	6 x 4	3

NOTE: Cut off socket(s) to make 5" or 6" socket.

### External Snap Couplings (H x H)

Part #	Size (in)	Carton
C-103	3 x 3	24
C-104	4 x 4	20
C-106	6 x 6	12

### Internal Snap Coupling (I x I)

Part #	Size (in)	Carton
C-203	3 x 3	30
C-204	4 x 4	24
C-206	6 x 6	8

### Reducer Coupling - Offset (H x H)

Part #	Size (in)	Carton
C-1043	4 x 3	20
C-1064	6 x 4	8

### Corrugated to Rigid Adapter (I x H)

Part #	Size (in)	Carton
C-33	3 x 3	20
C-44	4 x 4	24
C-66	6 x 6	12

NOTE: Corrugated Hub x Rigid SPG & Insert adapts corrugated tube to rigid pipe or fitting.

### Cap (H)

Part #	Size (in)	Carton
C-1403	3	20
C-1404	4	30
C-1406	6	10

### Downspout Adapter (DS x I)

Part #	Size (in)	Carton
C-1703	2 x 3 x 3	15
C-1704	2 x 3 x 4	18
C-1705	3 x 4 x 4	15
C-1706	4 x 6 x 6	2

NOTE: The first two dimensions are the sizes of the downspout hub, the third dimension is the sewer pipe diameter
